

MODERN SALON & SPA DONATION REQUEST

ABOUT OUR COMMUNITY GIVING

Modern Salon & Spa is dedicated in giving back to the communities that we serve. In an effort to concentrate our support, we have chosen to give to charities that mirror our business philosophies and the concerns of our guests. These charities include donations to women's health issues, cancer research, children's organizations, animal rights organizations, endeavors that promote creative or artistic development, veteran support, and environmental concerns. Beneficiaries are advised that a contribution in a particular situation is not an indication that support will continue on a regular basis.

Unfortunately, we are not able to honor all requests. Those requests that are not submitted at least 30 days in advance, that are incomplete, or that are to benefit individuals or for-profit organizations will not be considered. Businesses may request partnership on a case-by-case basis, which entails a commitment that is mutually beneficial.

Completed donation requests may be mailed or e-mailed to our Corporate Office for consideration:
